

## Terms and Conditions

Per Oracle rules and regulations, every attendee must register for the conference him/herself using his/her own Oracle.com single sign-on (SSO) login. If an attendee does not have an Oracle.com account already created, he/she must create one.

Attendees must use their own badge while onsite at the event. Badges are nontransferable and **may not** share, swap, or loan his/her badge with/to any other person(s) onsite. Any person found to be in violation of this policy will have their badge confiscated by event personnel and will be asked to leave the conference.

Anyone under the age of 21 will not be able to attend GloFest, even if accompanied by an adult.

### Government Rate Eligibility

Attendees from outside the US and Canada registering under the government rate will be required to fax or email proof of government employee status (copy of government photo ID or a letter on official government letterhead stating that they are an employee of that organization) to the Oracle registration team in order to receive the discounted rate. Oracle may, at its sole discretion, charge the full SuiteWorld conference rate to anyone not satisfying these requirements. Government discounts are available to those who qualify.
